

Price list as of: January 22nd, 2025**WinFACT 10****Education licenses, student license, personal license****WinFACT 10-Training licenses**

Training licenses are multi-user-licenses (max. 10 users) and may only be used by one institute/department of a school or university. In comparison to the full version they have the following restrictions:

- Max. order of transfer functions: 8, max. order of state space systems: 4
- Max. 4 ling. variables und 50 rules in fuzzy-modules
- Max. 100 system blocks in block oriented simulation BORIS; no User-DLL-Blocks

To any type of training license there can optionally be acquired a copy license by an extra charge of 50%. This license type allows the institute to make as many copies of the software as desired to give them to its students of the corresponding department for the use during the education.
